Letter No.H2.338/27 dated 11/12th April 1928 from the Deputy Commissioner, Mysore District to the Muzrai Commissioner in Mysore.

Gumbuz servants - draft set of instructions.

"With reference to your D.O.letter No.C.540 of 27-28 dated 8/10th -- November 1927 forwarding a note received from the Convenor of the Gumbuz -- Committee defining the duties of some of the principal servants of the Gumbuz and the Masjid-i-ala at Seringapatam, I have the honor to state that the -- duties of all the servants do not seem to have been defined in detail till now and written up in the form of instructions. But it seems that the whole work of the Institutions is being managed as per previous practice.

2. The note of instructions prepared by the Convenor, had been sent to the Sub Division Officer, French Rocks, for furnishing the opinion of the Gumbuz Committee. They all agree that the instructions or bye-laws framed by the Convenor may be adopted.

3. The following are some of the points of the note in which there is difference of opinion between the Sub Division Officer, and the Gumbuz Committee:--

(a) Page 4 of the Note item No.3.

Supervising the reading of the Khuran by the Khurane Sheriff.

The Sub Division Officer states that though it is not possible for the Nazim to be at the Gumbuz and also at the Masjid-i-ala at the time of reading Khuran, he has to supervise the Khuran reading constantly at both the places and see that this work is properly and regularly done. The Sub Division Officer reports that the Committee's view may be accepted.

(b) Page 6 of the Note item No.8.

The undisbursed langar or other payments should be credited to the -- Treasury before the close of the day of payment.

The Sub Division Officer reports that the above arrangement will cause considerable hardship and inconvenience both to the langardars and the -- establishment. If anyone fails to be present on the date of payment on -- account of illness or casual leave, he will have to wait for payment till after the amount is again drawn on supplemental bill during the next month. The Sub Division Officer recommends that the existing arrangement of payment may continue. But I prefer the proposed rule as the payees have the whole month within which to claim payment.

(c) Page 7 of the Note item No.14.

The Gumbuz Nazim should reside at Ganjam and attend office at 12

The Sub Division Officer reports that the Nazim's office is

a portion of the Masjid-i-ala at Seringapatam and that he may be allowed to reside in Seringapatam or Ganjam whichever is more suitable to him without prejudice to his work. I agree with him as regards residence; but the office may be shifted to the Gumbuz.

(d) Page 8 of the Note item No.4.

Prompt disposal of papers.

The Sub Division Officer reports that this item does not come up for consideration in the framing of bye-laws, that he is not in favour of the course suggested by the Committee which is mainly an advisory body -- and this item may be left out. I agree with him. The rules as above modified may be approved.

4. The connected papers are enclosed."
